JUBILEE NIGHT.

Pomfret School Students Celebrate End of Study Year.

Mechanics band played at Pomfret

Mechanics band played at Pomfret Tuesday evening. This engagement is for the organization one of the most interesting of each year, on the annual jubiles night at Pomfret school, student festivities marking the close of the study part of the year.

Tuesday night was a delightful one for the purpose for which the students desired to use it and they had their usual rattling good time. There were fireworks, red fire, a fine illumination and all the other adjuncts of a like nature that go toward increasing the pleasure and interest at such an event. The annual parade around the street The annual parade around the street was held, bonfires built, the members of the faculty visited at their bers of the faculty visited at their homes and called upon to make brief speeches to the student body. They graciously responded. During this pa-rade about the street the band did es-cort duty. Refreshments were pro-vided and all in all the evening's incidents measured up to the established

THROUGH TROLLEY EXPRESS Insured Between Danielson and Prov-

After four years of anticipation, endeavor and repeated disappointment Danielsen is to get a through trolley express service between Providence Danielson over the electric road bearing the name of the two places mentioned. The service will commence next Monday, when, for the first time since the line from here to Providence since the line from here to Providence was constructed, an express car will leave Providence at 11.39 a. m., and run through to Danielson, arriving here at 3 p. m., or thereabouts. The holding up of express cars at East Killingly, necessitating the transfer of freight from that point to Danielson by team, will cease on Saturday next, and in all probability the delays and hindrances that have made the service of lesser value to Danielson business

hindrances that have made the service of lesser value to Danielson business men will be eliminated. The car that is to bring freight to Danielson is to run express from Providence, making no stops for deliveries en route. Preight for other points along the line will be taken by other cars.

President D. F. Sherman of the P. & D., and Henry E. Nugent, the road's general freight agent, have been at work perfecting the new plan for several weeks. Their arrangements were completed Tuesday and the announcement of the beginning of the through express service given out. For the first time in its history, Danielson is to have an option as to which road its business men may receive freight business men may receive freight over—all rail—from Providence.
